MUZAFFARPUR

Autumn break assignment 2021-22

Class:- 6A, 6B, 6C

Subject:- Mathematics

1. In this autumn break look carefully at 3 dimensional (Solid) object seen around you and try to find out how many Edges, Corners, Curved surfaces and Flat surfaces it has. Make a chart of above listing at least 20 objects .
2. Measure the height of each person in your family and arrange them in ascending order.
3. Discuss with your parents, Grandparent and Cousin on “Uses and importance of Mathematics in their daily life”. Conclude the discussion in your own words.
4. Revise all the lessons.
